

Samantha Chtcherbinin-Reynoso thirteen 7th grade Girl Scout at NEST+M, who also partakes in rowing four days a week. So far, she has done welding and a one-week camp with Tools & Tiaras, some coding summer camps, scrapbooking, the Girl Scouts of Greater New York Leadership Institute, and a metal working class. Currently is active in a rowing team.

She is a percussionist who enjoys playing loud, fast marches like “Excitation March” and “US Field Artillery March”. She has experienced a Mud Festival, gone on a banana boat, has ridden a camel, gone zip lining, done basic parkour, as well as indoor skydiving and has driven a real go-kart, one that went forty miles an hour at its top speed. She has babysitting experience with children from two to ten years old. She enjoys drawing, swimming, rowing, reading and gaming, also she enjoys most outdoor activities.
